PA Welding Ltd

Established by its owner and Managing Director, Peter Anderson back in 1988. The company has grown from a small unit, into a medium sized company. Now currently occupying an 8000sq ft factory with easy access to the M62, M1 and the rest of the motorway network.

PA Welding Ltd. has grown over the past two decades through long hours, quality workmanship and complete dedication to their very loyal customer base.

PA Welding Ltd. Fabricates a wide range of products from large steel construction items to relatively small items used in shop fitting work.

PA Welding Ltd. carry out large amounts of work for our local council, Kirklees, supplying the waste management team with Roll on, Roll off Skips, Recycling banks and also “Street Side” bins.

PA Welding Ltd. Have a very diverse range of Customers from small companies to large national companies and would be pleased to quote for any type of metalwork, large or small, ferrous or non-ferrous.
